2019 UNITED We Thrive
ADVOCATE Submission

Award Description
The Advocate Award recognizes organizations that speak out on behalf of or educate others on issues that support and advance Thrive2027 Goals*.

While this advocacy may be related to the organization’s business, it should not be the organization’s primary mission; for example, a child care center should not apply for its advocacy related to children. It could, however, apply for its work educating parents about financial literacy.

Eligibility
An organization may not win the same award for two consecutive years.

Application Requirements
- All nominee information must pertain to 2018 calendar year activities.
- Please submit at least one high-resolution photo of the organization in action related to advocacy. While photos will not be used for judging purposes, they might be used to recognize the organization at the recognition event or online. Please send photo in jpeg format.
- Please do not include hyperlinks, flyers, newsletters, etc. embedded into the nomination forms. Feel free to include separate materials as attachments.

Release
Once submitted, all entries become the property of United Way of Greater Portland. They might be used in whole or in part in United Way’s communications and promotions and might be shared with United Way Worldwide. The individual submitting the application (1) assumes responsibility for obtaining all necessary consent and releases for use of any information, including photographs; and (2) warrants he/she has authority to use these materials and that UWGP may use these materials as described; and (3) releases United Way from any liability associated with such use.
