Building a Thriving Community

**TAKES EVERY ONE**

It starts with **ONE** person, **ONE** action, **ONE** voice.

While your ones may differ, the impact is the same: thousands of lives changed. Your generosity combined with all others make our community a better place for all.

Imagine if every **ONE** in Cumberland County gave just **ONE** dollar a week to our community.

That's over **\$15M** of impact!

Be the **ONE**. Give today.
